

MARLINS OF RALEIGH SCRIP PROGRAM FOR 2009-2010

What Is Scrip? Scrip is a term that means “substitute money.” When you purchase scrip, you’re purchasing gift certificates and prepaid cards that are just like cash. You can use scrip to purchase clothing, gas, restaurant meals, etc. Great Lakes Scrip Center is the scrip provider for the Marlins of Raleigh.

How does it benefit my family? When you purchase Scrip cards for retailers you normally buy from, MOR receives a rebate. The rebate varies from 2-15% of the face value of the gift cards depending on the retailer. MOR will credit 75% of the rebate amount toward your next season’s family obligation. MOR keeps 25% to cover shipping and handling.

How do I sign up? Go to www.shopwithscrip.com to create an account. You will enter personal information including your e-mail address. When you create your account, you will need to enter the MOR enrollment code: **LDBL54F222655** to link your account with MOR. Now you are ready to place an order.

How do I order? Go to www.shopwithscrip.com. Log onto your account. Select “Start Ordering Scrip.” Find retailers by category or type the name of the retailer in the “Search Brands” box. When you have found the retailer, choose the gift card denomination and the quantity you want to order. Keep shopping until you have all the cards you want to order. Proceed to checkout.

NOTE: On the screen where you can view and select the denomination and quantity, you can also view the actual front and back of the gift card (choose View Larger to enlarge the card). While most cards do not have an expiration date or restrictions, some might (hotels or airlines). The details will be on the card, usually on the back. If you have any questions about the card, please check there before ordering. If it is still unclear, contact me and I will check on the details before you place your order. Gift cards are not returnable so please be sure of what you are getting before you order.

How do I pay for my order? Each time you place an order, you will see two payment options – pay by check or by Prestopay (automatic withdrawal from your checking account). You will not be able to select the Prestopay option unless you have set that up at www.shopwithscrip.com

- Paying by check –
Make check payable to MOR for the total face value of the gift cards you are ordering and mail to:

Marlins of Raleigh
4900 Waters Edge Drive
Suite 200
Raleigh, NC 27606

Your order will not be processed until I receive your check.

- Paying by Prestopay – enroll with Prestopay at www.shopwithscrip.com. Selected “Prestopay” on the side menu. You will be prompted to enter your banking information. Within two business days, GL Scrip will make two small deposits into your bank account. Go online and verify those deposits at www.shopwithscrip.com (select Prestopay on the side menu), and you are set to pay by Prestopay. Remember, it will take a few days for the deposits to show up at your bank so you cannot use Prestopay the first time you log on to place an order.

How and when do I get my gift cards? Orders that have been paid for (either by check or Prestopay) will be processed on the 1st and 3rd Tuesdays of each month. Cards should be available for pickup the following week. You will get an e-mail from me notifying you that your cards are here. Please reply so we can arrange a time for you to pick up your cards.

How much credit do I receive toward next year's family obligation? You get credit for 75% of the rebate amount that is offered by the retailer. Here is an example:

You order two \$100 cards. You pay \$200. The rebate listed is 10% or \$20. You get 75% of \$20 or \$15 credited to your next season's family obligation.

Remember, Scrip cards are like cash. Please be careful with them. MOR cannot be responsible for lost or stolen Scrip cards once you have received them.
