

MOR IN MAY PRE-SUMMER SWIM CLINICS

Get a jump on the competition at one of the **MOR IN MAY** swimming technique clinics. The clinics are a perfect opportunity for summer league swimmers to get professional guidance on starts, turns, and stroke mechanics in a clean, fun, and friendly atmosphere. Our certified coaching staff will provide students with all the latest technical data on swimming mechanics. With summer league swim meets beginning in early June, **MOR IN MAY** is a great way to get your feet wet early. Register soon as these clinics usually do fill up very quickly. Participants must be able to swim 25 yards of continuous freestyle and must be at least 5 years old.

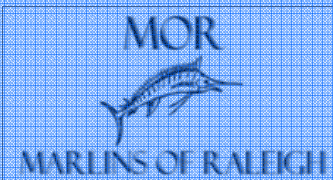

Three Convenient Locations to Serve You
