

SAINT MARY'S SCHOOL

Bacon Gymnasium & Pool Rentals

Parking Policies & Guidelines Agreement

- Rental group members should enter campus through Gate # 7 off of College Place.
- Parking for rental groups is on a first come first serve basis. Members of rental groups are authorized to park in one of 23 parking spots in the Lower School Chapel Drive parking lot. If the parking lot is full, alternate parking can be found in authorized areas on College Place and members can walk through Gate # 7 to the gym / pool. There are **no exceptions** to these parking arrangements.
- Vehicles may only park in the lined parking spaces on School Chapel Drive.
- Vehicles are prohibited from parking along curbs and sidewalks. These areas are designated emergency lanes and cars parked in these areas prevent access to emergency service vehicles. Violator's vehicles **will be towed at the owner's expense.**
- Parents picking up and dropping off children in the parking lot should avoid blocking traffic for prolonged periods of time. Campus resident traffic **may not be blocked** from entering and exiting campus through the barrier control gate at the upper section of the School Chapel Dr. and through the brick driveway on the west side of the parking lot.
- Security will notify the coaches responsible for each rental group when a parking violation has occurred. Security will at that time provide the coach with the car's make, model, and license plate number. The coach should then take positive action to get the vehicle moved by the owner before the vehicle is towed.
